A Local San Luis Obispo Bakery

*Appreciate the Beauty of
Nature with Each Bite*

Special Order Cakes

Cakes can be special ordered or can be picked up from our display cases made by our talented bakers.

We specialize in elegant designs with fresh fruits and edible flowers. The flowers used are indigenous to the state of California; we want to spread the beauty that can naturally be found within the lovely state. The flowers that we generally use are the Orange Poppy, blackberry, and Sun cup flowers.
